The total expenditure incurred for the purpose was Rs 3704-15-3 which was placed at the disposal of the Revenue (Munsiff) Deptt by the P.W.D. ~~Executive~~ Engineer. It is not known why sanction of the Munsiff Deptt is ~~not~~ sought for, instead of in the P.W.D. (K.R.S) which has dealt with the matter throughout and which has also made the annual allotments for expenditure from its funds. The chief Engineer K.R.S wanted a certificate by the Munsiff authorities, as to the correctness of the expenditure incurred and which is to be adjusted in the accounts of the P.W.D. and this is done by the D.C. ~~Mysore~~ who is approached by the M.C. With this certificate, certain bills have to be passed & taken in the K.R.S. Deptt only for accounting purposes.

As these are Munsiff temples fund in the Munsiff's custody I think

I have the honor to forward herewith the records relating to the above and to state that the idols of Sri Maha Lakshmi, Sri Kanveswara and Sri Gopalakrishnaswami were consecrated in the new temples constructed on the North Bank of Krishnarajasagara during the month of May 1930. A sum of Rs 3734/-, exclusive of the charges incurred for "Sanku Stapana", was placed by the Public Works Department at the disposal of Mr. B. Subrahmanyasastri, the then Amildar of Krishnarajpet Taluk. An expenditure of R. 3708-15-3 as incurred as noted in the margin and the balance of R. 25-0-9 was re-credited to P. D. Deposit.

	Amount sanctioned.	Amount spent.
Sri Mahalakshmi	742-0-0	825- 1-1
Sri Kanveswara	1251-0-0	948-15-3
Sri Gopalakrishna	1741-0-0	1934-14-6

Mr. Subrahmanyasastri furnished details of expenditure with vouchers for almost all the items but pleaded inability to allocate charges of food stuffs, cloths, vessels etc., amounting to R. 923-12-10. With the aid of the accounts maintained, the sum of R. 923-12-10 has, however, been subsequently allocated to the three temples on pro rata basis. The accounts were scrutinised by the Executive Engineer, Dam Construction Division, Krishnarajasagara and accepted. The Chief Engineer, Krishnarajasagara, requests sanction of Government in the Muzrai Department for admitting the charges in the accounts of the Public Works Department and the Deputy Commissioner, Mysore District, recommends

In continuation of my letter No.M.72/29 dated 4th December 1931 regarding the consecration of idols in the newly constructed ~~xxxx~~ temples in the North Bank, Krishnarajasagara, I have the honor to state that out of the sum of R. 3734/- placed by the Public Works Department at the disposal of Mr. P. Subject:- Consecration of idols in the newly constructed temples at Krishnarajasagara, North Bank.

With reference to your letter No.H.72/29 dated 29th October 1931 addressed to the Executive Engineer, Dam Construction and No.1 Irwin Canal Division, in the matter of adjustment of expenditure incurred for the consecration of idols at Krishnarajasagara, I have the honor to forward herewith copy of letter No.645 dated 20-2-1932 received from the Executive Engineer, Dam Construction and No.1 Irwin Canal Division, pointing out certain irregularities such as want of vouchers, imperfect vouchers etc., in connection with the above work. The function was undertaken by the Revenue (Muzrai) Department and the Muzrai Department alone can say whether the expenditure is necessary or excessive and whether it can be admitted without vouchers considering the nature of the transactions relating to such of the items for which no vouchers are forthcoming or whether the sanctioned provisions are exceeded. I therefore request you to obtain sanction of Government in the Muzrai Department for admitting these charges in the accounts of the Department.

2. It is necessary to obtain a list of vessels and property referred to in paragrapg 3 of the Executive Engineer's letter dated 20-2-32 and record it in the property register of the temple as well as in the Government records.

3. The whole file of correspondence sent with your letter under reply is herewith returned.
